SUMMARY OF ORDER

(Section 77(5) *Legal Profession Act*)

A Hearing Committee had disbarred Mr. Robert Williamson after finding him guilty of conduct deserving of sanction on seven citations. Mr. Williamson appealed the decision on citation 1 (conversion and/or misappropriation with respect to the retainer he was paid) and the decision to disbar him.

On October 21, 2013, Mr. Williamson abandoned the appeals and the Benchers dismissed them, so that the decisions on guilt and disbarment stand. The Benchers also directed that the member pay costs of the hearing of the appeal of \$23,160.38 before filing any application for reinstatement.

The Benchers also directed that the book of jurisdictional exhibits, J-1 to J-5, will be available for public inspection and copying after changing the complainants' names to initials. No other exhibits will be available for inspection or copying.
