**RESIGNATION COMMITTEE REPORT**

**Overview**

1. Mohammad A. Moughel applied for resignation from the Law Society of Alberta (LSA) pursuant to section 32 of the *Legal Profession Act*, R.S.A. 2000, c. L-8 (LPA). Because Mr. Moughel's conduct is the subject of citations issued pursuant to the LPA, this Resignation Committee (Committee) was constituted to hear this application.
2. At the time of this application, Mr. Moughel was a suspended member of the LSA and he had a disciplinary record with the LSA. Mr. Moughel had been admitted as a member of the LSA on August 20, 2004 and he was suspended in November, 2016.
3. After reviewing all of the evidence and exhibits, and hearing arguments from counsel for the LSA and counsel for Mr. Moughel, the Committee allowed the application pursuant to

section 32 of the LPA and advised that a written decision would follow. This is that written decision.

### **Preliminary Matters**

4. There were no objections to the constitution of the Committee or its jurisdiction, and a private hearing was not requested so a public hearing into Mr. Moughel's resignation application proceeded.
5. During his submissions, counsel for Mr. Moughel tendered to the Committee the original Certificate of Enrollment for Mr. Moughel, receipt of which was acknowledged.

### **Citations**

6. Mr. Moughel faced a total of 20 complaints and 82 citations as outlined in the revised Statement of Facts provided to this Committee and appended to this Report (Revised Statement). Mr. Moughel has admitted guilt on 69 of those citations and denied 13 citations.

### **Agreed Statement of Facts**

7. Exhibit 12 was a Statement of Admitted Facts and Exhibit 13 was a Statement of Facts. These exhibits contained handwritten entries such that it was not apparent which citations were being admitted or denied. Counsel for the LSA submitted a document entitled "Amended Formal Citations," which was entered as Exhibit 18. However, the citations in Exhibit 18 did not completely coincide with the citations as set out in Exhibits 12 and 13, as certain citations and their numbering had been amended. Accordingly, counsel for the LSA and counsel for Mr. Moughel have submitted the Revised Statement. Any references in this Report to citations and facts are to those citations and facts set out in the Amended Formal Citations and the Revised Statement.
8. The citations contained a number of similar and overlapping complaints and issues, which can collectively be categorized as follows:
  - (a) Failing to communicate with clients, other lawyers and the LSA;
  - (b) Failing to conduct client matters in a timely and reasonable manner;
  - (c) Misleading clients about the status of their matters, including failing to attend court and consenting to orders without client knowledge;
  - (d) Failing to follow trust accounting rules; and

- (e) Failing to respond to the LSA and failing to be candid with the LSA.
9. The relevant facts related to these citations are set out in the Revised Statement. There was no additional evidence called by either party.

### **The Submissions of the Parties**

10. Counsel for the LSA made a number of submissions, including the following:
- (a) The LSA neither consented to nor opposed the section 32 resignation application.
  - (b) Mr. Moughel's conduct amounted to an abdication of his practice, including a failure to serve his clients, a failure to be candid with his clients, consenting to court orders without client consent and court findings of contempt against Mr. Moughel.
  - (c) The LSA does view several of the breaches as issues relating to integrity, but chose not to oppose the application based on the medical evidence submitted on behalf of Mr. Moughel.
11. Counsel for Mr. Moughel also put forward a number of submissions, including:
- (a) The abdication of the practice by Mr. Moughel was a result of [health] issues that were not diagnosed until the [medical] Assessment of February 20, 2019.
  - (b) The [health] condition of Mr. Moughel compromised his judgment and left him paralyzed and unable to recognize his harmful behavior.
  - (c) There were elements of a lack of candour by Mr. Moughel, but the core behavior was the abdication of his practice.

### **Analysis**

12. Under the LPA, a member may apply to resign under either section 32 or section 61. The material distinction between these two sections is that pursuant to section 61, a member's resignation amounts to a deemed disbarment. Under section 32, the application merely results in the resignation of the member, but is not deemed a disbarment.
13. In considering whether to accept the application for resignation under section 32, this Committee considered a number of factors including: (1) the nature of Mr. Moughel's alleged conduct; (2) whether such conduct would likely result in disbarment if the matter proceeded to a hearing and the citations were proven; and (3) the existence of other

factors that would mitigate against disbarment. Central to the analysis was the overarching goal of maintaining public confidence in the legal profession. In other words, would the acceptance of an application to resign under section 32 be in the best interests of the public and in the interests of the reputation of the profession?

14. The Committee was concerned that a number of the citations raised integrity-related conduct by Mr. Moughel. However, the Committee accepted the findings in the [medical] Assessment where the [doctor] reached the following conclusions:

[...]

15. The Committee accepted that Mr. Moughel's range of conduct, including matters relating to integrity and candour, was due to his [health] issues. This would have likely mitigated against him being disbarred had the matter proceeded to a hearing.
16. It should also be noted that the LSA did not oppose Mr. Moughel's application for resignation. As such, the Committee considered this application to be tantamount to a joint submission and therefore deserving of deference.

## **Decision**

17. The Committee finds that the Revised Statement of Facts is in an acceptable form.
18. Based on the evidence established by the Revised Statement of Facts and the [medical] Assessment, the Committee determined that it was in the best interests of the public to accept the application of Mr. Moughel to resign pursuant to section 32 of the LPA, effective March 6, 2019.
19. The Committee accepted the undertakings and agreements made by Mr. Moughel.
20. The Committee reviewed the costs of this application, as prepared by the LSA. The Committee has determined that prior to any later application for reinstatement, or prior to any application to be relieved of his undertakings, Mr. Moughel must first pay the following:
  - (a) Costs of this application in the total amount of \$34,481.86;
  - (b) Costs of the hearing on July 28, 2016 in the amount of \$1,943.81; and
  - (c) Payment of the \$4,000.00 fine rendered at the hearing on July 28, 2016.

21. Pursuant to subsection 32(2) of the LPA, Mohammad Ali Moughel's name will be struck off the roll. The roll shall reflect that Mr. Moughel's application under section 32 of the LPA was allowed on March 6, 2019.

### **Concluding Matters**

22. The exhibits and this report, except for Exhibit 15 ([medical] Assessment), will be available for public inspection, including the provision of copies of exhibits for a reasonable copy fee, except that identifying information in relation to persons other than the member will be redacted and further redactions will be made to preserve client confidentiality and solicitor-client privilege (Rule 98(3)).
23. In Exhibit 15, the last paragraph on page 11 of the Assessment and the first paragraph on page 12 of the Assessment may be disclosed.
24. A Notice to the Profession will be issued.
25. A Notice to the Attorney General is not required.

Dated at Edmonton, Alberta, March 19, 2019.

You didn't give us any notice of you not representing us in the case and didn't follow due process in this matter."

Mr. Moughel: "I know. Had a nervous breakdown. I'm going to admit that. I did some work on it but I wont (sic) argue with you. I know it was a problem."

- B. M.S. retained Mr. Moughel in May 2015 to represent her in her divorce and paid a retainer of \$5,000. She was living separately in the matrimonial home along with her husband and children and wanted to obtain a divorce, exclusive use of the home, parenting arrangements, and division of matrimonial property.
- C. On September 15, 2015, Mr. Moughel consented to an Order requiring specified financial disclosure from M.S. by September 28, 2015. M.S. did not provide instructions for such an order and was not aware of the Order at any point.
- D. On October 15, 2015, a contempt application was filed by opposing counsel, which was returnable October [...], 2015, as the required disclosure had not been provided. Mr. Moughel did not appear in court on October [...], 2015. Disclosure was once again ordered, together with a daily fine and costs of \$1,000. The Order was reviewed on November [...], 2015 and M.S. was found then to be in contempt of Court and another \$1,000 costs were awarded against her.
- E. Also on November [...], 2015, the Court ordered M.S. to not bring any further applications before the Court unless and until the September 15, 2015 Order had been satisfied. - J. On December [...], 2015, an arrest warrant was issued for M.S. for her contempt of court as a result of Mr. Moughel's actions. Mr. Moughel also claimed that opposing counsel had obtained the warrant without notice, that he did not know they were in court (on December [...], 2015), and that they already had full disclosure.
- K. M.S. learned from her daughter on December 22, 2015 that the Court had also imposed costs against M.S. in the amount of \$100 per day as a result of the contempt of court. When Mr. Moughel was confronted with this information, he claimed that he had paid those costs himself out-of-pocket.
