

Booking Guide for New and Returning Mentees

June 2025

Once you have registered as a mentee using the Registration Guide for <u>New Mentees</u> or <u>Returning</u> <u>Mentees</u>, you will have access to the Mentor Gallery.

The following steps detail how to view and book meetings with mentors through the Mentor Gallery.

You must accept the mentee Terms & Conditions in your mentee profile to book mentors. If you have not accepted the Terms & Conditions, you will receive a notification on the website directing you to the Mentee Registration Form where you can accept these.

- 1. Log in to your Mentorship Rocket account.
 - a) A Quick menu will be displayed once you have logged in. Click the third button that says **THE MENTOR GALLERY.**

The Mentor Gallery is located on the Home page of Mentorship Rocket and can be accessed through the Home tab at the top of the page.

2. Review mentorship program descriptions.

The Mentor Gallery page provides an overview of Mentor Express, Mentor Connect and the Indigenous Mentor Program. Mentees can participate in multiple programs simultaneously.

- 3. Use tagging system to filter mentors
 - a) Under the program descriptions, you will see three buckets of filter categories with tags in each one. You can use the filter system to narrow down mentors based on the program you would like to participate in, topics you are interested in and mentor experience.

You can only select one tag at a time in each category. The tag will be coloured in if selected.

To deselect a tag, click on the coloured tag again or select a different tag.

If you do not select any of the tags in a category, the category filter tag will default to **All**.

b) At the bottom of the page, you will see a list of mentors who meet your tagging criteria.

Each profile displayed contains:

- The mentor's first and last name.
- Which program they are participating in – (M.E.) for Mentor Express, (M.C.) for Mentor Connect or (I.M) for the Indigenous Mentorship Program.
- A photo of the mentor (if provided).
- Their law firm/organization.
- A **BIO** / **SESSIONS** button to view more information about the mentor.
- How many sessions they have available for mentees to book.

Mentors are limited to participating in one program at a time, meaning they can only participate in either Mentor Express, Mentor Connect or the Indigenous Mentorship Program. Please keep this in mind when selecting your program tagging criteria.

If there are no mentors displayed, you will need to adjust your filter tags as there may not currently be any mentors who match that specific criteria.

- 4. Review mentor profiles.
 - a) Click on **BIO / SESSIONS** to learn more about the mentor and their availability.
 - b) You can read the mentor's full bio and view the placeholder dates that they are available to meet.

The session date(s) that are available to book are coloured green, and session dates that are unavailable are coloured grey.

- c) The number of meetings dates each mentor provides depends on the program that they are participating in.
 - Mentor Express mentors will add 12 meeting dates between Sept.16 and April 30.
 - Mentor Connect mentors will add only one meeting date between Sept. 16 and April 30. When a mentee books the one meeting date provided, this will begin the ongoing mentoring relationship between mentee and mentor and the two of you will arrange all further meetings on your own outside of the Mentorship Rocket platform.

The session dates provided by mentors are placeholders only.

After booking a session, mentees are responsible for reaching out to the mentor and can determine a different date and time to meet that would work for both of them. Mentors and mentees can meet either in-person or virtually.

You do not need to let the mentorship team know if the date that you meet is different than the one listed in Mentorship Rocket.

- Indigenous Mentorship Program mentors will add only one meeting date between Sept.16 and April 30. When a mentee books the one meeting date provided, this will begin the on-going mentoring relationship between mentee and mentor and the two of you will arrange all further meetings on your own outside of the Mentorship Rocket platform.
- 5. Booking a session with a mentor.
 - a) Once you have found a mentor that would like to book a session with, click on one of the available placeholder dates listed.

A pop-up will be displayed asking "Are you sure you want to book with this mentor?". Click **OK**.
